### Sherman to Continue Low Price Campaign

Plans for continuing this winter the movement for reducing the cost of living are being made by John H. Sherman Superintendent of Weights Measures and Markets. Addressing the fourth of the tri-weekly meetings of housekeepers at the District building today on the organization of "community leagues" for buying in wholesale lots. Mr. Sherman announced that it is his intention if there is demand for his services to devote three evenings each feek during the winter to addressing citizens' associations and other civic organizations on methods for lowering market bills.

Mr. Sherman explained that the pres ent movement for buying by wholesale is merely a temporary measure, adopted to meet an emergency, and that his plan for a market system includes a place for the retailer, whom he regards as essential in any permanent market plan. He again emphasized the need of buying goods only in season if reasonbuying goods only in season if reason-

able prices are to be obtained.

Mr. Sherman advised all housekeepers to keep an account of their monthly expenses and analyze it at the end of each month, comparing the cost of items with the prices of the month before

Nine-tenths of all accidents are caused by skidding. Either you skid into the other fellow or the other fellow skids into you. Dangerous conditions are constantly arising. Slippery roads are always imminent. An accident is liable to occur almost any time. Laying aside the personal injury which confronts you and your passengers are you wise to risk the expense for repairs to your automobile and for personal injury liability, when disaster can be avoided by merely taking the ordinary precaution of carrying Weed Chains with you and putting them on when road conditions demand? Take Precaution NOW Consider your own safety—consider the safety of other road users—take no chances. Weed Chains are an absolute necessity on both rear tires and to doubly guard yourself against accidents and to make steering comfortable and easy, put them on the front tires, too. Cannot injure tires because "they creep." Occupy very little space when not in use. Applied in a moment without the use of a jack.
